WINhealth Partners Medicare Plan

Pharmacy Directory

This booklet provides a list of WINhealth Partners Medicare Plan (WINhealth Partners') network pharmacies.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about WINhealth Partners network pharmacies in your area, please visit www.WinhealthPartners.org or call our Customer Service Department at 800-840-2211, 8:00 a.m. to 8:00 p.m., Mountain Time, Monday through Friday. From November 15 through March 1, we are also available 8:00 a.m. to 8:00 p.m., Mountain Time, on weekends and most holidays. (TTY/TDD Users should call 800-704-6370.)

This directory is current as of August 25, 2009. The pharmacy listing in the directory does not guarantee that the pharmacy is still in the network. The inclusion of a pharmacy in this directory does not guarantee that the pharmacy is open or is at the same location as listed.

Introduction

This booklet provides a list of WINhealth Partners' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and WINhealth Partners' formulary. If you have additional questions, please visit www.WinhealthPartners.org or call our Customer Service Department at 800-840-2211, 8:00 a.m. to 8:00 p.m., Mountain Time, Monday through Friday. From November 15 through March 1, we are also available 8:00 a.m. to 8:00 p.m., Mountain Time, on weekends and most holidays. TTY/TDD Users should call 800-704-6370. Para asistencia en español llame al 800-346-4643.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by WINhealth Partners. In most cases, your prescriptions are covered under WINhealth Partners only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

WINhealth Partners Network Pharmacies

Pharmacies listed in this directory are sorted by type of pharmacy, then alphabetically, by city, as follows:

Type of Pharmacy (Retail, Long-Term Care, Mail Order, Infusion, Indian Health Service)

City (Listed alphabetically)

Pharmacy (Listed alphabetically)

If a pharmacy is marked with a "+", you can purchase a 90-day supply from this pharmacy.

To find a pharmacy nearest to your location, please look for the city in the upper margin of the directory, then reference the alphabetical list shown on the directory page below.

You can also visit www.WinhealthPartners.org or call our Customer Service Department at 800-840-2211, 8:00 a.m. to 8:00 p.m., Mountain Time, Monday through Friday. From November 15 through March 1, we are also available 8:00 a.m. to 8:00 p.m., Mountain Time, on weekends and most holidays. TTY/TDD Users should call 800-704-6370. Para asistencia en español llame al 800-346-4643.

If you are deaf, hard of hearing, deaf-blind, or speech-disabled, you may dial the nationwide Relay number 711 to use the state Relay service to contact any pharmacy.
