## Section 1 – Introduction

This directory provides a list of WINhealth Partners Medicare (WINhealth Partners’) plan providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our plan providers that are listed in this directory to be your **Primary Care Physician (PCP)**. The term “PCP” will be used throughout this directory. You will get your routine or basic care from your PCP. Your PCP will also coordinate the rest of the covered services you get as a Member of our Plan. Your PCP will provide most of your care and will help you arrange or coordinate the rest of the covered services you get as a Member of Plan. If you select a PCP you have not seen before, you must call the doctor’s office to make sure he or she is accepting new patients. At that same time, it is also a good idea to make an appointment to meet your new PCP. You must call Customer Service to let us know who you have chosen **before your first visit with your new PCP**.

The “plan providers” listed in this directory have agreed to provide you with your health care coverage. You may go to any of our plan providers listed in this directory. You can always choose to go to a provider outside our network. We may not pay for the services you receive outside of our network, but Medicare will pay for its share of charges it approves. You will be responsible for Medicare Part B deductible and coinsurance.

If you have been going to one plan provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-plan providers. To have your benefits covered and paid by WINhealth Partners, all your health care must be provided by WINhealth Partners plan providers except for medical emergencies and urgent care services outside our service area. If the service you need is covered by your plan but cannot be provided by a plan provider, you will need to obtain a prior authorization from WINhealth Partners to see a nonparticipating provider.

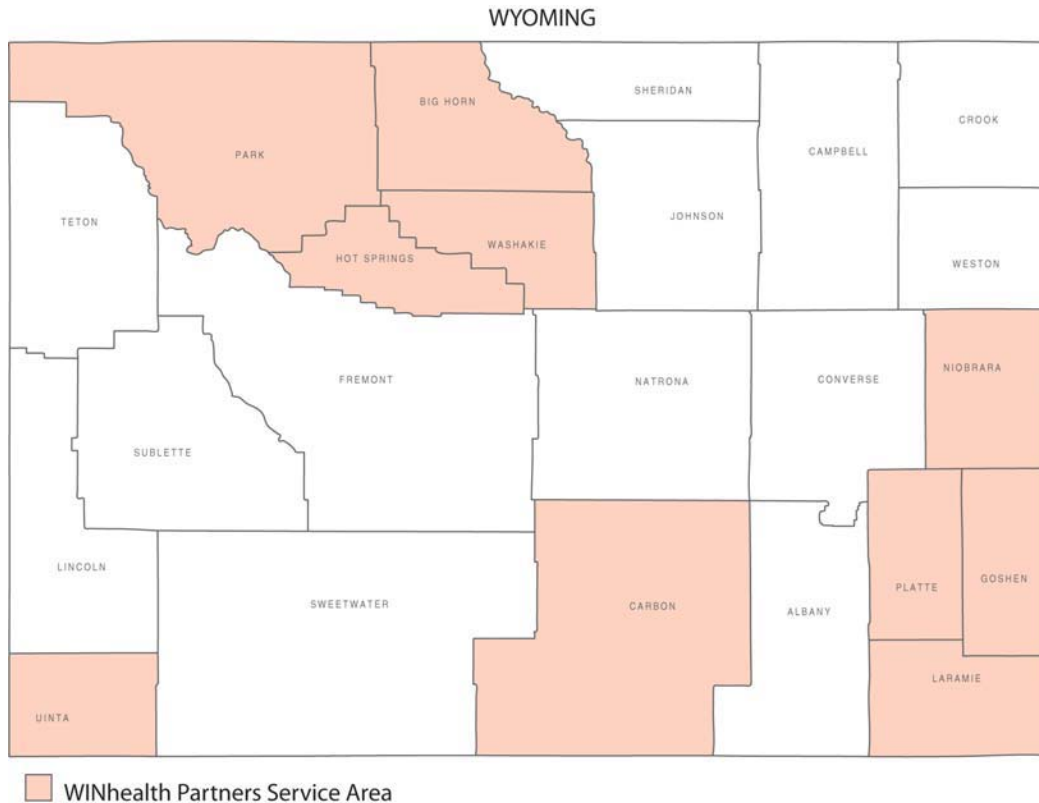

When you receive health care services from a provider who is not part of our network, you are responsible for paying your plan cost sharing amount and you should tell the provider to bill our Plan for the balance of the payment that is due. However, if you have received a bill from the provider, please send that claim to WINhealth Partners Medicare, c/o RMHP, P.O. Box 10600, Grand Junction, CO 81502-5600 so we can pay the provider the amount they are owed. If you have any questions about what to pay a provider or where to send a paper claim you may call Customer Service.

# **WINhealth Partners Medicare Plan**

## **Pharmacy Directory**

This booklet provides a list of WINhealth Partners Medicare Plan (WINhealth Partners') network pharmacies.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about WINhealth Partners network pharmacies in your area, please visit [www.WinhealthPartners.org](http://www.WinhealthPartners.org) or call our Customer Service Department at 800-840-2211, 8:00 a.m. to 8:00 p.m., Mountain Time, Monday through Friday. From November 15 through March 1, we are also available 8:00 a.m. to 8:00 p.m., Mountain Time, on weekends and most holidays. (TTY/TDD Users should call 800-704-6370.)

This directory is current as of August 25, 2009. The pharmacy listing in the directory does not guarantee that the pharmacy is still in the network. The inclusion of a pharmacy in this directory does not guarantee that the pharmacy is open or is at the same location as listed.

---

## Introduction

This booklet provides a list of WINhealth Partners' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and WINhealth Partners' formulary. If you have additional questions, please visit [www.WinhealthPartners.org](http://www.WinhealthPartners.org) or call our Customer Service Department at 800-840-2211, 8:00 a.m. to 8:00 p.m., Mountain Time, Monday through Friday. From November 15 through March 1, we are also available 8:00 a.m. to 8:00 p.m., Mountain Time, on weekends and most holidays. TTY/TDD Users should call 800-704-6370. Para asistencia en español llame al 800-346-4643.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by WINhealth Partners. In most cases, your prescriptions are covered under WINhealth Partners only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

## WINhealth Partners Network Pharmacies

Pharmacies listed in this directory are sorted by type of pharmacy, then alphabetically, by city, as follows:

**Type of Pharmacy** (Retail, Long-Term Care, Mail Order, Infusion, Indian Health Service)

**City** (Listed alphabetically)

**Pharmacy** (Listed alphabetically)

If a pharmacy is marked with a "+", you can purchase a 90-day supply from this pharmacy.

To find a pharmacy nearest to your location, please look for the city in the upper margin of the directory, then reference the alphabetical list shown on the directory page below.

You can also visit [www.WinhealthPartners.org](http://www.WinhealthPartners.org) or call our Customer Service Department at 800-840-2211, 8:00 a.m. to 8:00 p.m., Mountain Time, Monday through Friday. From November 15 through March 1, we are also available 8:00 a.m. to 8:00 p.m., Mountain Time, on weekends and most holidays. TTY/TDD Users should call 800-704-6370. Para asistencia en español llame al 800-346-4643.

If you are deaf, hard of hearing, deaf-blind, or speech-disabled, you may dial the nationwide Relay number 711 to use the state Relay service to contact any pharmacy.
